This criminal complaint is based on these facts:

On or about October 13, 2021, at approximately 8:20 am, defendant, Francisco GONZALEZ-Gomez, a citizen & national of Mexico, applied for admission into the United States at the Juarez Lincoln Port of Entry in Laredo, Texas, as a passenger in a bus. At time of inspection, defendant presented a United States Passport bearing the name and photograph of J.M.G to primary CBP Officer Jorge Avitia and claimed to be such person. When asked where he was born, defendant stated he was born in the United States. Due to CBP system indicating a facial mismatch, defendant was referred to secondary for further inspection. At secondary, biometrics revealed defendant has been previously removed on or about April 18, 2007 via Calexico, California. Defendant identified himself as Francisco Gonzalez Gomez an undocumented citizen & national of Mexico born in Jerez, Zacatecas, Mexico. Facts are based on the defendant's sworn statement and records of Customs & Border Protection. The defendant was paroled into the United States and an Immigration hold has been placed.
